ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 26 October 1977

1. (Confidential - RJK) LIAISON David Bushong, Ed Levine and Walter Ricks, of the Senate Select Committee on Intelligence staff, met with Ted Shackley, ADDO, David Thompson, LA/DDO, Ralph Katrosh, SA/DO/O and Harry Piper, LA/DDO, to continue discussions on the Committee's Panama investigation. Many of their questions were answered on the spot and the remaining questions are being researched and will be responded to shortly.

2. (Unclassified - RJK) LIAISON Spoke with Tom Moore, Senate Select Committee on Intelligence staff, who confirmed that Senator Gary W. Hart (D., Colo.) would be able to meet with the Chief of Station, Teheran, at 3:00 on Thursday, 27 October, in the Senator's office. Margaret, on the Iran desk, was advised and she will inform the Chief of Station. This is a personal meeting and no Office of Legislative Counsel representation is required.

3. (Secret - DTC) LIAISON Professor G. Robert Blakey, Chief Counsel and Staff Director, House Select Committee on Assassinations, met with me and officers from the DDO to examine DDO records on the "Bayo-Pawley Action." (See Memorandum for the Record.)

4. (Secret - PG) LIAISON Received a telephone call from Michael J. Hershman, Deputy Staff Director, Subcommittee on International Organizations, House International Relations Committee, who was calling to confirm a meeting scheduled for the morning of 27 October. I said that this was still on and we agreed that we would discuss: an interesting report which had reached the Subcommittee through a source other than CIA; the current security situation in the Subcommittee; and two press clippings which are believed (possibly incorrectly) to represent leaks from the Subcommittee.

5. (Confidential - PG) LIAISON Martha Talley and Barbara Rowan, researchers on the House Committee on Standards of Official Conduct, spent the afternoon in the C&R conference room interviewing one former Seoul station chief and the current incumbent. Ms. Talley reported that the interviews had been productive.
